Duties of the Primary School Council

The Primary School Council adopts the school rules and regulations proposed by the Director of the Primary School.

It is mandatory that this Council is consulted for their views on all questions relating to the function of school life, in particular on:

- The teaching structures;
- The organisation of time and the school calendars;
- The primary school’s strategic plan (or the part of the institution’s strategic plan concerning the primary school) proposed by the teaching committee;
- Specific actions which allow better use of funds allocated to the school with proper adaptation to school environment;
- The conditions of education for handicapped children taking into account local constraints;
- Projects and organisation of discovery classes;
- Questions concerning the hygiene, health and security of students present in the school and during extracurricular activities;
- The principals of choice of materials and educational tools;
- The questions relating to the welcome, information given to the parents and general conditions of their participation to school life.
